The messages that I send through this messaging interface are being saved -- prior messages WERE ALREADY SAVED. I do not know if the THREADS are different or the same on this new message. The patent here is conducting a TRUST VALIDATION known as a @RealityAudit. Declared as "UNDECLINABLE [ Unable To Decline ] --- We are going to apply the law of that is placed on the CDC [ disability inclusion ] and the need for patient-centered communication --and have a proper communication exchange.

My mother called your office - -the packet of information that needs to be filled out -- is assigned in the [ care team ] name of [ CHINYERE OBAKHUME.], the wrong person! My mistrust of our session, she said I was threatening her, my mother disputed that. I no longer want her as my careteam. Complete Your Patient Forms Now Hi JAMES, You have patient forms to complete for CHINYERE

OBAKHUME. Please fill out these forms before your appointment. Liike the PatientPortal Confuses Records?
